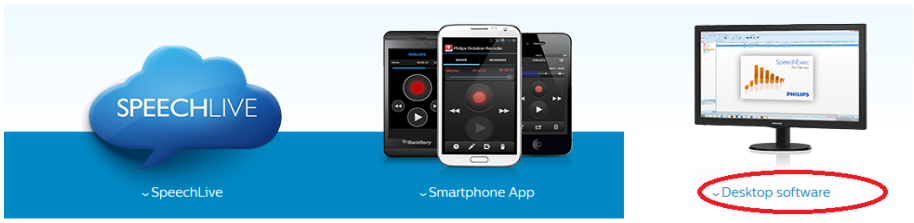
PHILIPS
Dictation

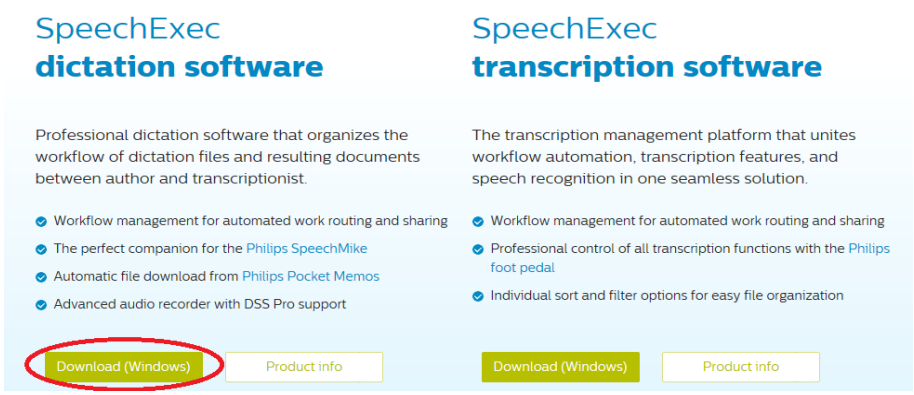
SpeechExec
dictation software

Please copy and paste the below address to download the free trial

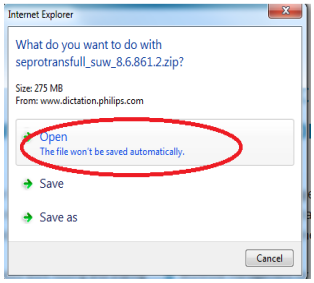
https://www.dictation.philips.com/no_cache/gb/products/free-trials/

Scroll to the bottom of the page and click on '**DESKTOP SOFTWARE**' then on '**DOWNLOAD (windows)**'

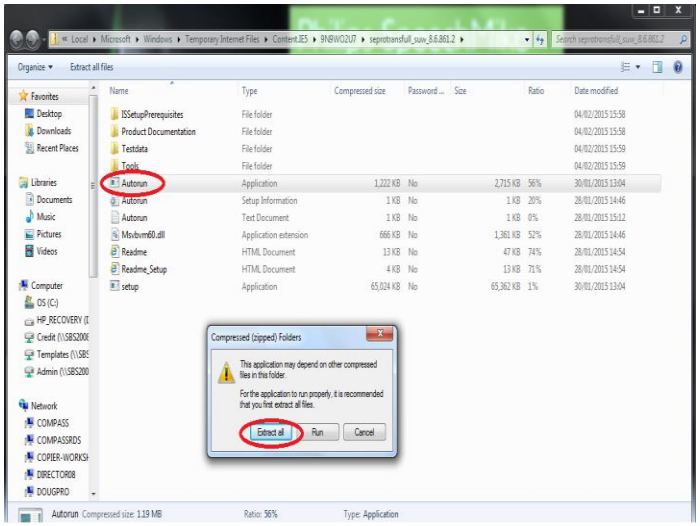




Follow the onscreen prompts:

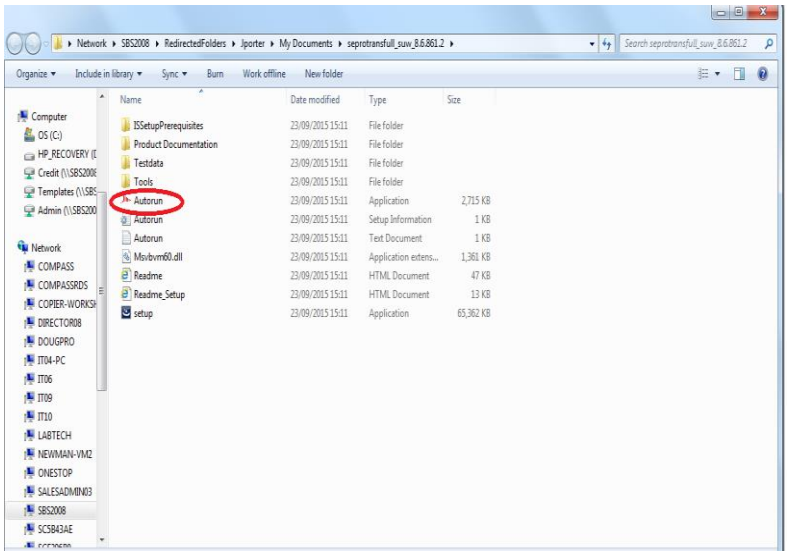


This will download the file as a zip, which will need to be extracted (See Below)

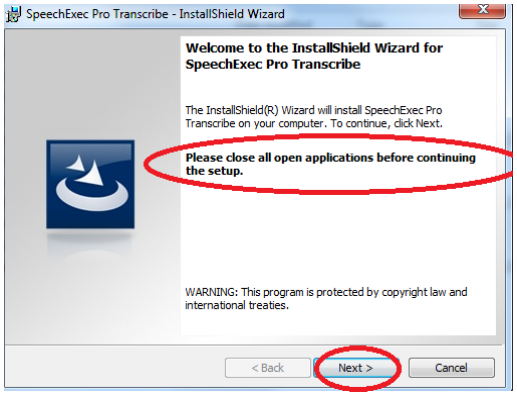


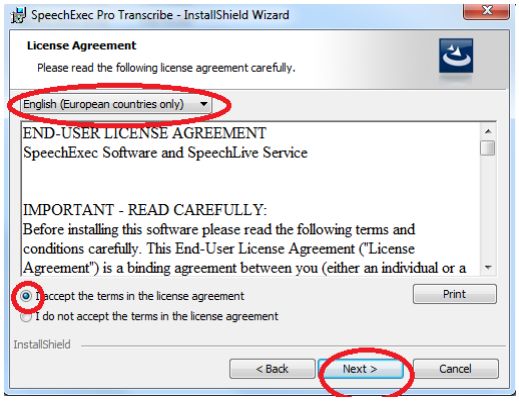
Click on ‘AUTORUN’ and extract all.

Follow the onscreen prompts, and the icon will change on AUTORUN.

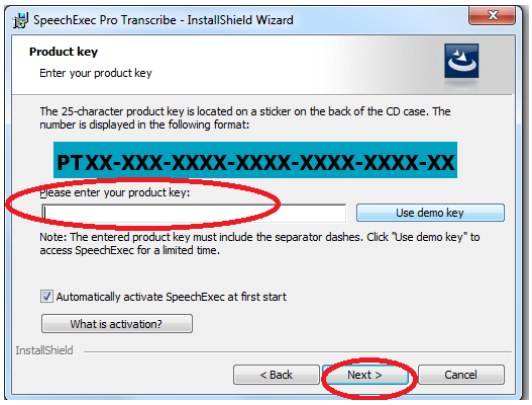


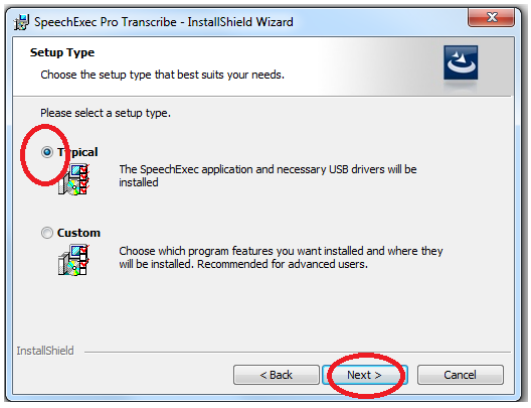
Click on the new icon and this will start the installation





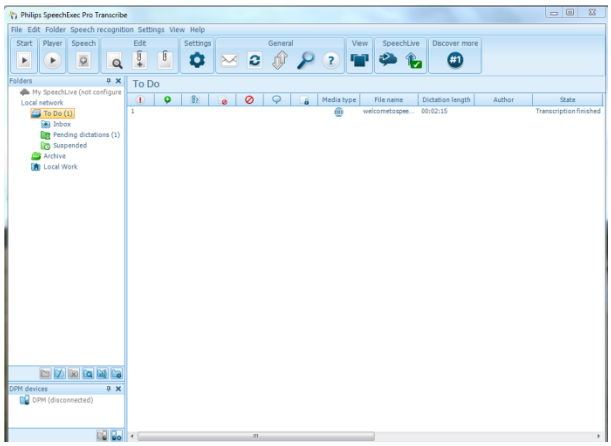
Enter your new product key which was sent via email





Choose ‘Typical’ setup

The desktop icon should appear at the end of the installation. Click on this to start the software.



If you experience any problems installing this software to your PC. Please call 01892 664155.
